

Vision, Values and Strategy

Mission:

Serving the Church in developing mission-shaped communities

Vision:

We see Christ-following congregations rediscovering God's mission in developing mission-shaped communities that will transform the world

Values:

As Christ-followers, through our **relationships** we value

Listening to God, congregations and communities

Inspiring churches to live out their missional identity and calling.

Partnering with Christian denominations and ministries (Ecumenical).

Empowering the church and congregational leaders with Scripture based and Holy Spirit inspired material.

Contextualising seriously take account of the Unique Context of congregations, South Africa and Southern Africa.

Strategy:

TRAINING: *Equipping stakeholders for discipleship and mission*

Mission Shaped Introduction

The MSI course of 6 sessions seeks to equip local church leaders to think and act missional in their context.

Mission Shaped Ministry - Short Courses These courses seek to equip leaders to lead their communities to become more missional in order to pioneer fresh expressions of church, presented ecumenically around Southern Africa. Courses include: Start-Ups, Leadership, Evangelism, Disciple-making and Church Health

COACHING: *Accompanying congregations and Church leaders in missional formation.*

FA has trained and deployed trained coaches in most regions in Southern Africa to be support missional leaders in our changing and challenging context with a transformational process.

ENVISIONING: *Sharing the vision of missional church and disciple making movements; Expanding our partnerships and journeying with our members.*

FA team leaders are available to envision and motivate church leaders on a variety of themes, including being a missional church, disciple-making, evangelism, starting new faith communities, and more.

CONSULTING: *Engaging congregations for missional transformation.*

Coming alongside local churches, regional bodies and even denominational structures who want to do research in order to serve and engage with their communities more effectively.
