Leigh created a Murder Mystery Party for Christopher's 65th !

I am so grateful to Leigh and my precious family for making it possible to put to death the idea that 65 means the end of anything!

All of it is an adventure with her. Thanks all for the fun!

We are finding new people for our board for the new season

- With the sudden and tragic death of Rev Themba and the planned stepping down of Charmel we have been on a long prayerful search for two replacement Directors, alongside myself, as well as more Board Members.
- Kevin and I are in the process of bringing in Den Bailey as a new Board member. He is a businessperson, executive coach and Local Preacher in the MCSA.
- We are connecting with others interested parties in these coming weeks. There will be more people to introduce in the next report.
